# OUT OF AREA LEAFLET DISTRIBUTION

Let us know where you would like to target – we can then calculate the number of properties in that area – and quote you accordingly.

If you need brochures or leaflets distributed into homes or businesses – outside of our TDG Directory areas, don't worry...we can still help!

With our Out of Area Distribution service we can distribute your flyers, menus and leaflets to ANY area in Hampshire – just let us know where you want to target and we'll sort the rest.

## **TAKING YOUR BUSINESS WHEREVER YOU WANT!**

From Southsea to Guildford, Chichester and Fareham – there are no limits on local areas, even if they are outside of our usual distribution locations. There are also no limitations on leaflet size and there's no complicated pricing. It's simple and it's direct – just how we like it.

We are always adding to the current areas we deliver to as our demand increases, so if the area you want to target isn't on the list – it's not a problem! Our dedicated team of distributors are flexible and can cover 'out of area', ensuring that every single house in your target area is covered.

We can also help with the design and print if required... offering you the perfect 'hassle free solution'.
