Social Media Campaigns

Want to be busy this summer? We've been generating more business for our local companies for over 21 years!

If adverts aren't your thing, we also offer social media promotion to help broadcast your business to a highly engaged local audience, reaching over 21,000 followers across our platforms - a powerful way to generate enquiries straight from people on their phones.

With FREE advert design included across all our services, there's never been a better time to get your business seen by local customers and start growing today ready for summer!

Our bespoke social media campaigns are tailored to any business type and message and promoted via our Facebook and Instagram accounts. We offer the opportunity for companies to promote themselves to over **21,000 local followers across all of our social media platforms.**

Social media advertising offers the perfect opportunity to take your business to a new, online audience and promote a specific aspect of your business in greater detail. Social media campaigns can also be ran through our customer's own social media accounts if required, at no extra charge.

We can design and write 2 different posts (social media adverts) and share them on our Instagram and Facebook accounts – to thousands of our local followers 3 times each week.

£100 plus vat each month
3-month minimum commitment.

We are passionate about helping local companies to generate GREAT LOCAL BUSINESS, in a cost effective and stress-free way.
